HELPFUL INFORMATION FOR YOUR TRIP:

RESORT CHECK IN: The check in time at most resorts is 3:00pm (local time). If you arrive prior to 3:00pm your room may not be ready. The resort will store your luggage in a secure location on property so you may start enjoying your vacation without delay. Change into something more comfortable and enjoy a nice lunch, swim in the pool, walk along the beach, etc. until you are notified that your room accommodation is ready for check in

USING DEBIT CARDS DURING INTERNATIONAL TRAVEL: Your resort or hotel will require a credit card upon check in for any incidentals. We do NOT recommend the use of debit cards for hotel check ins as the hotel will place a “hold” on your debit card that may restrict the use of your funds. This hold can stay on your debit account as long as 10 days post travel. Please contact us with questions regarding the use of debit cards in foreign countries. A credit card is recommended for international travel.

RESORT DRESS CODE: Your resort likely has a dress code for some restaurants. Residents of most Caribbean and Latin American countries tend to dress more formally for evening meals. This may be reflected in your resort’s dress code. It is the traveler’s responsibility to confirm specific dress code details for their particular destination. Specifics for your resort or hotel can be found on the resort website. Please ask if you have questions!

SARGASSUM UPDATE: Some beach locations in Mexico and the Caribbean have recently experienced Sargassum seaweed. While Sargassum can be an inconvenience, this natural phenomenon is important to the oceanic ecosystem. Sargassum provides a food source and shelter to a variety of marine and plant species (shrimp, crab, birds, fish, turtles and whales). Three species of sea turtle, some endangered, rely on Sargassum mats as nurseries for their eggs. Sargassum also helps to provide a barrier for beach erosion and can be used as biofuel and landfill. In short, it can be annoying but it is also vital to the ocean landscape that we love. It is a seasonal occurrence and shouldn’t ruin your vacation.

STRAWS: Many cruise lines and resorts are phasing out the use of straws to protect our environment. If a straw is a must-have for your frozen cocktail, pack a few straws in your luggage (bonus points if they are paper straws).

MEXICO TRAVELERS ONLY: The Mexican government has implemented an Environmental City Tax for tourists as follows: o Hotels within Riviera Maya- Environmental Tax of \$20 Mexican Pesos (approximately \$1.10 USD) per room, per night will be charged and can only be collected upon hotel check in. They cannot be paid in advance. Hotels within Cancun and Puerto Morelos-

Environmental Sanitation Tax of \$30 Mexican Pesos (approximately \$1.60 USD) per room, per night will be charged and can only be collected upon hotel check in. They cannot be paid in advance.

HONEYMOON & ANNIVERSARY TRAVELERS: You MUST bring a copy of your marriage certificate to qualify for any complimentary honeymoon/anniversary package (photo copy is recommended). Failure to have such proof of marriage will result in the resort denying these complimentary privileges (if applicable). PLEASE notify your BHDW & BV Travel agent if you are celebrating a Honeymoon or Anniversary so that they can annotate this in your reservation. Typically resort will honor these packages up to 30 days before or after your honeymoon/anniversary date.

CELEBRATING A MILESTONE? Group discounts start with just 5 rooms. Celebrate your next birthday, family reunion, anniversary or other milestone in style with a group vacation. Please contact your BHDW & BV Travel Advisor for more info.
